Foundation for the Welfare of Animals and  
Understanding of Humans and Animals

---

## Invitation to the 2020 Award Ceremony of the Getika Foundation

Once a year, the Getika Foundation awards a prize of CHF 10,000 to a project in favor of the protection and preservation of animals, which was achieved through the extraordinary effort of one or more people.

In cooperation with the Zurich Zoo, the Getika Foundation is committed to serving the welfare of animals and contributing to the understanding of humans and animals in a non-profit manner. Among other things, she would like to duly support and reward extraordinary personal achievements in favor of animals, to improve the keeping and maintenance of the same.

It is a great pleasure and honor for us to invite you and other interested guests to the award ceremony

## Getika-Stiftungsanlass vom 26. März 2020

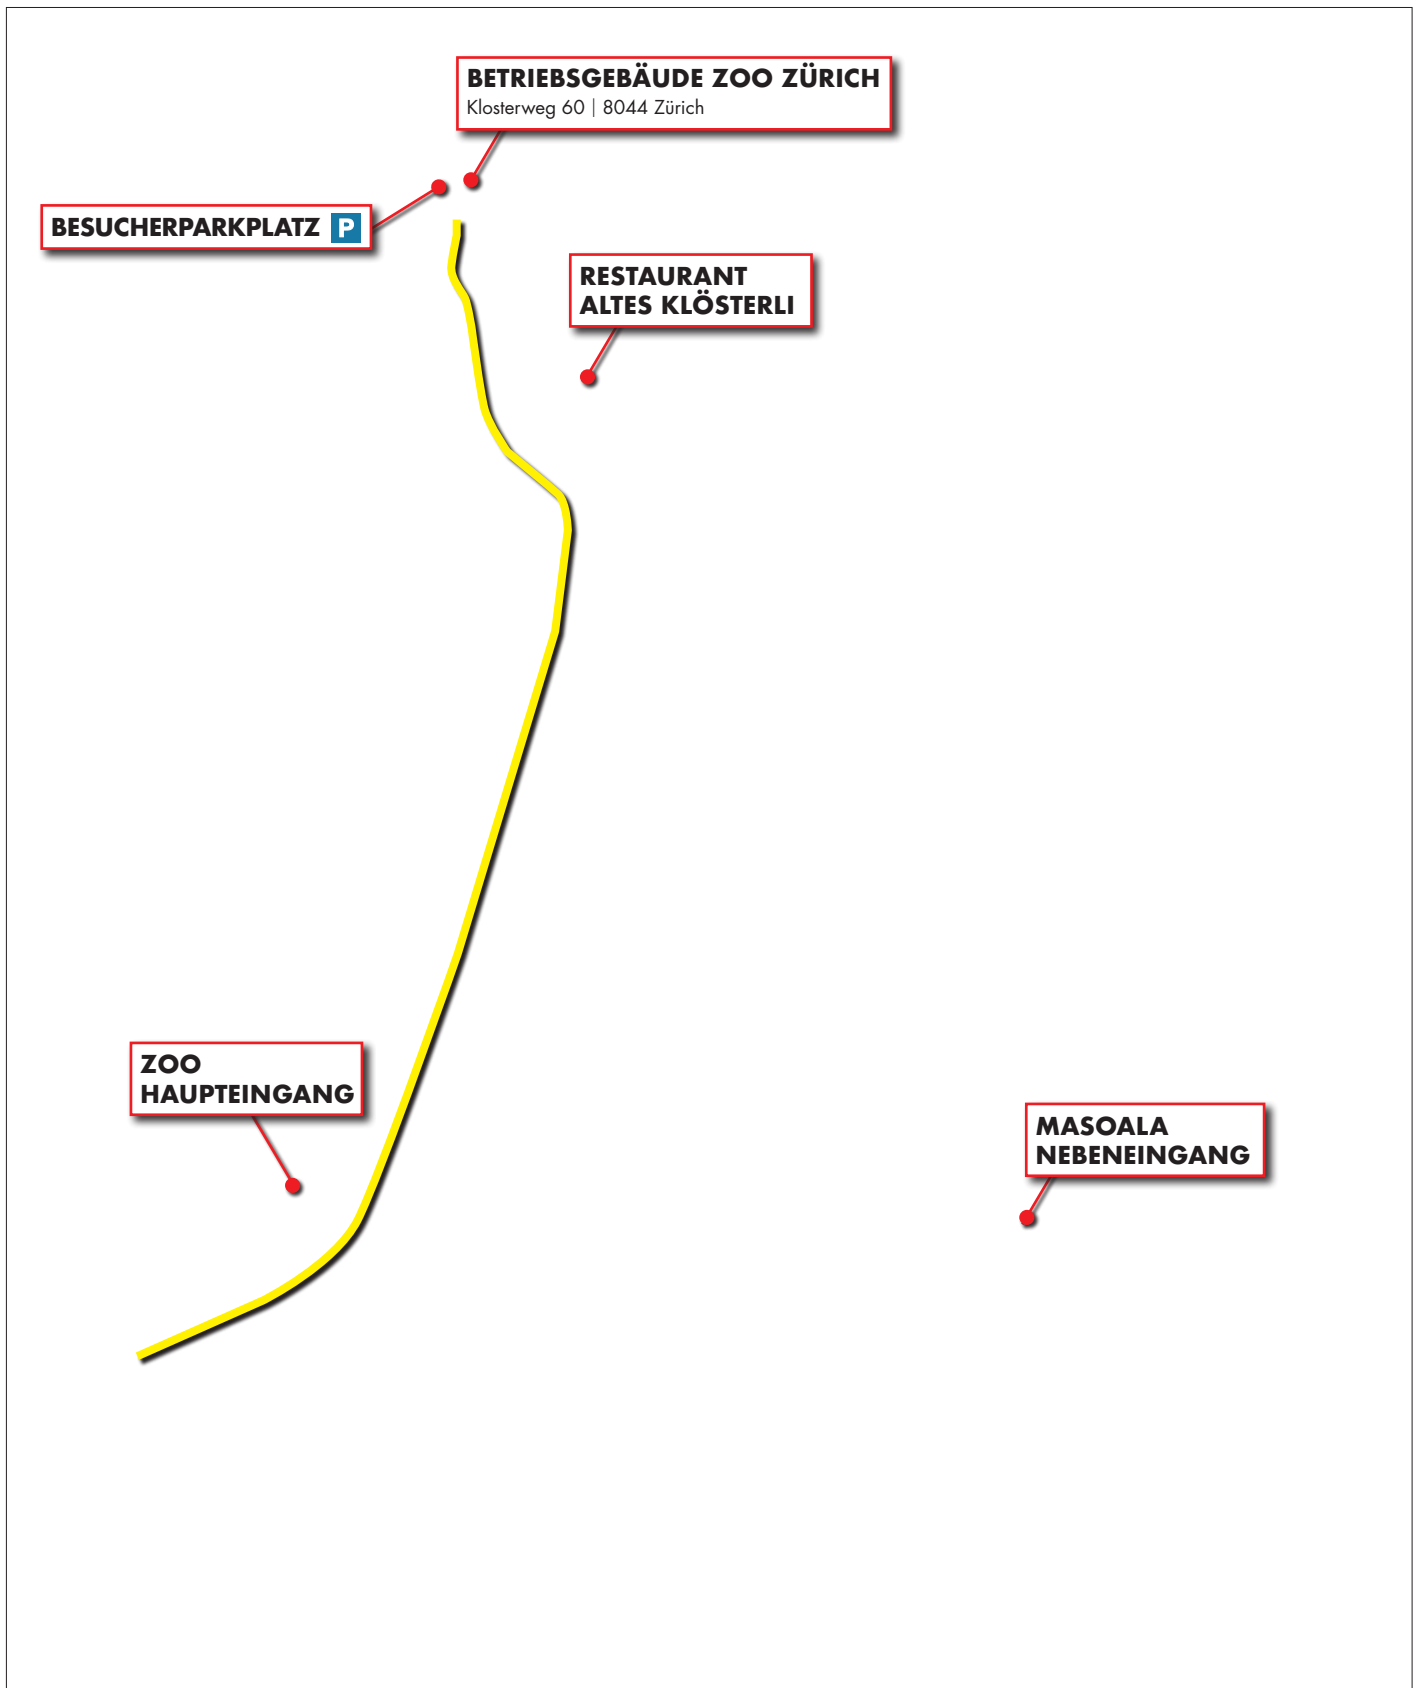

The Swiss NGO-charity organization 'Elephants in Need' was founded on September 15, 2014. The Association is committed to helping elephants in need and is trying to help many traumatized elephants in India to live a better, dignified and more species-appropriate life. The Charity is also pursuing an improvement of the associated infrastructure with measures that serve to educate and raise awareness of biodiversity and protect the environment.
